

# Rhythm Master – Beta & Release Candidate Checklist

## Beta Testing Checklist

- WAX login succeeds on iOS and Android
- Season Pass gating works correctly
- Gameplay pauses on orientation change
- Audio/video resumes after rotation
- Scrolling remains functional before gameplay

## Known Issues (Beta)

- Leaderboards are local only
- Older devices may drop frames on video tracks
- Rapid orientation switching may desync briefly

## Release Candidate Checklist

- All beta blockers resolved
- No console errors during gameplay
- Mobile gesture conflicts eliminated
- Final NFT template IDs confirmed
- Admin wallets verified
