

# Sublime Sounds – Rhythm Master

*Own the music. Master the rhythm. Compete for the top.*

## What Is It?

Sublime Sounds – Rhythm Master is a competitive web-based rhythm game where music NFTs become fully playable tracks. Players test timing, accuracy, and consistency to climb seasonal leaderboards.

## Key Features

- NFT-based music gameplay
- Precision audio-synced timing engine
- Combo and multiplier scoring system
- Seasonal leaderboards
- Blockchain-powered access via WAX

## Blockchain

Built on the WAX blockchain using AtomicAssets NFTs and SSN token payments. Blockchain is used for ownership and access, not gameplay latency.
