

# Sublime Sounds – Rhythm Master

## User Manual

Welcome to Sublime Sounds – Rhythm Master. This game allows players to experience music NFTs in an interactive rhythm-based format while competing for leaderboard positions.

### ***Getting Started***

To begin, connect your WAX wallet, select one of your eligible Sublime Sounds NFTs, and pay the required SSN entry fee. Once unlocked, press Start to begin playing.

### ***Controls***

Players can use either keyboard controls (A S D F G) or mouse clicks to activate lanes. Precision timing near the hit line yields higher scores.

### ***Scoring & Judgements***

Each note is judged as PERFECT, GREAT, OK, or MISS based on timing accuracy. Building combos increases score multipliers.

### ***End of Game***

The game ends automatically when the song finishes. Your final score is displayed and submitted to the leaderboard.
